A vertical strip of 15 identical, overlapping, curved, golden-yellow metallic bands, resembling a stylized, elongated 'C' or a series of connected arches. The bands are arranged in a way that they appear to be part of a larger, continuous structure, with each band slightly offset from the one below it. The color is a bright, metallic yellow-gold, and the surface has a subtle sheen. The background is a solid, deep blue.

NOTES

A vertical strip of 15 identical, overlapping, curved, golden-brown metallic bands, resembling a stylized, elongated 'S' or a series of connected arches. The bands are arranged in a repeating pattern, with each band slightly offset from the one above and below it, creating a sense of depth and texture. The color is a warm, metallic gold, and the lighting highlights the curves and edges of the bands.

End Date:

A grid of 30 blank book icons arranged in 6 rows and 5 columns. Each icon is a simple line drawing of a book, showing the front cover, spine, and a small tab on the bottom edge. The icons are intended to be filled with text for a library catalog.

Notes

A vertical strip of 15 identical, overlapping, curved, golden-brown metallic strips, resembling a stylized, elongated 'S' or a series of connected arches. The strips are arranged in a vertical column, with each strip slightly offset from the one below it, creating a sense of depth and movement. The color is a warm, metallic gold, and the texture appears smooth but with some subtle variations in tone due to the lighting and the way the strips overlap. The overall effect is a rhythmic, flowing pattern that draws the eye downwards.

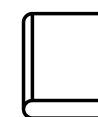

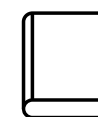

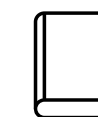

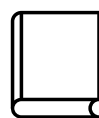

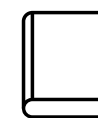

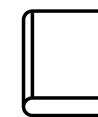

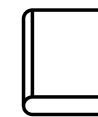

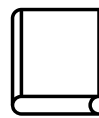

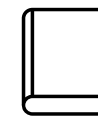

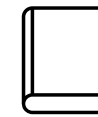

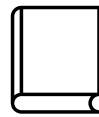

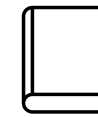

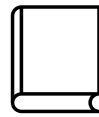

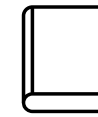

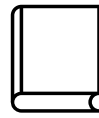

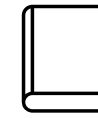

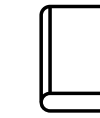

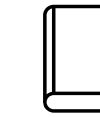

A 10x10 grid of 100 empty book outlines. Each book is represented by a simple black line drawing of a book cover and spine, oriented vertically. The books are arranged in 10 rows and 10 columns, providing a structured space for recording library information.

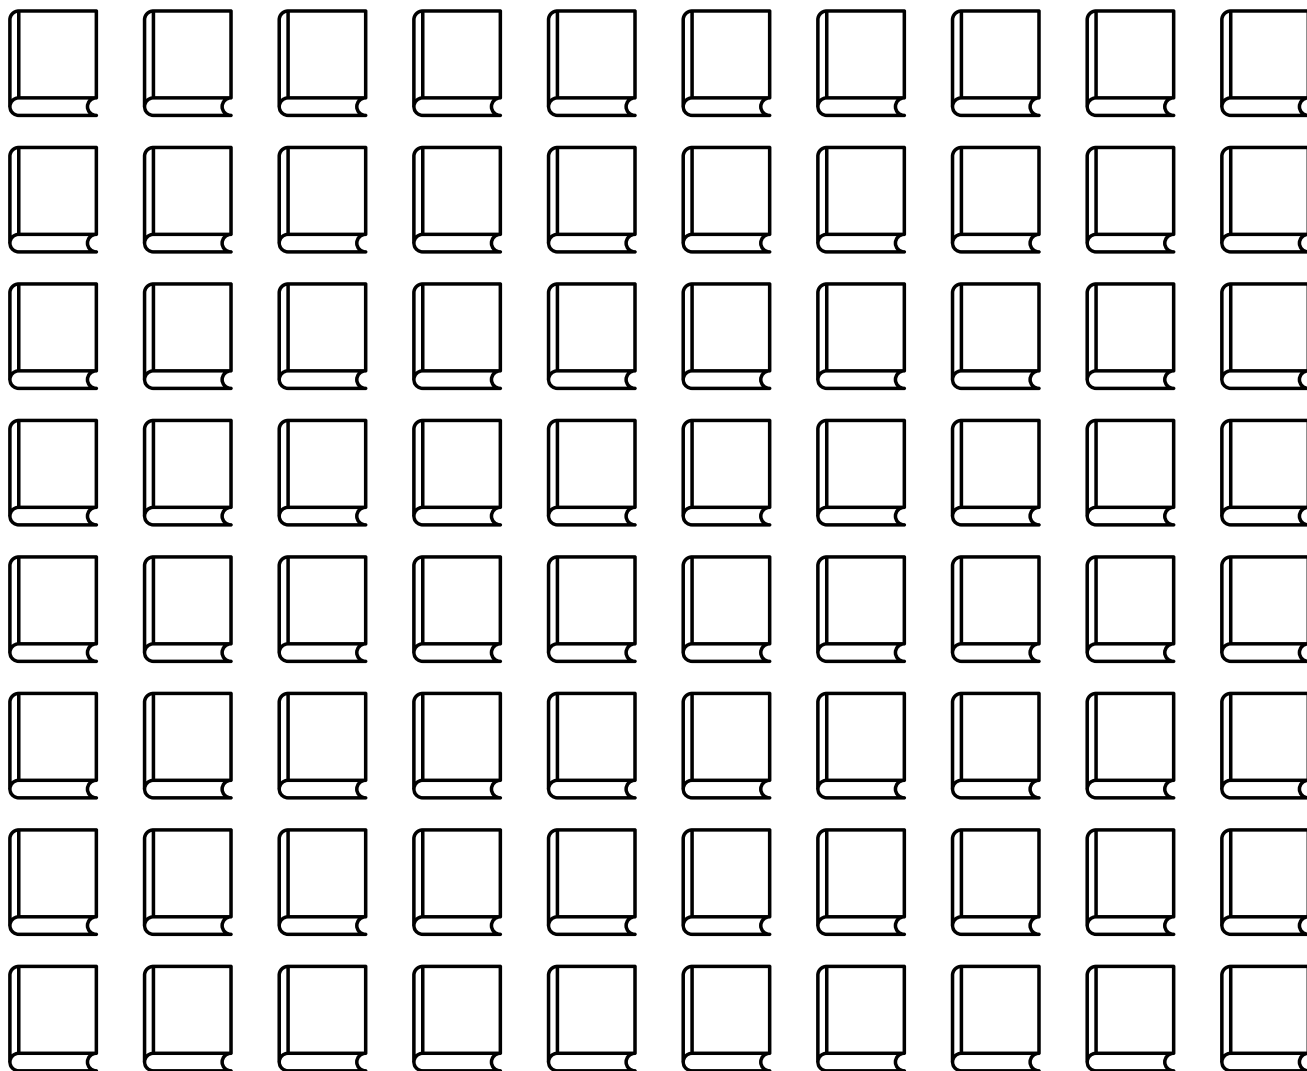

A vertical stack of 20 book icons, arranged in 5 columns and 4 rows. Each icon is a simple line drawing of a book with a cover and spine.
